WHY GOD?

Why Do Bad Things Happen to Good People?

Two Realities to Remember

1. God is under no _____ to give us an explanation.
2. God has given us plenty of _____ if we will only look for it and accept it.

The Rationale Behind This Question

1. The world is full of suffering and _____.
2. _____ created the world.
3. Therefore, God is the one to _____!

The Response to the Rationale

No, God is _____ the one to _____ for suffering and evil.

Five facts to consider:

1. God created the world _____. Gen 1: 31
2. God created people with the ability to _____.
Gen 1:27
 - a. Choice is the essence of _____.
 - b. Choice is the essence of _____.
 - c. Choice is a _____.
3. People chose _____. Gen 2:16; Gen 3:6
4. Their choice brought evil into the _____. Rom 5:12
5. The choice has had lasting _____.
 - a. The _____ is no longer good. Romans 8:20-22
 - b. _____ are no longer good. Romans 3:10

The Rewording of the Question

Not "Why do bad things happen to good people,"

But "Why do _____ things happen to _____ people?"

But the Real Question is "Does God _____ when bad things happen?" The answer to that question is "_____."

God _____ what it is to suffer, and He knows how to _____ us in our suffering.

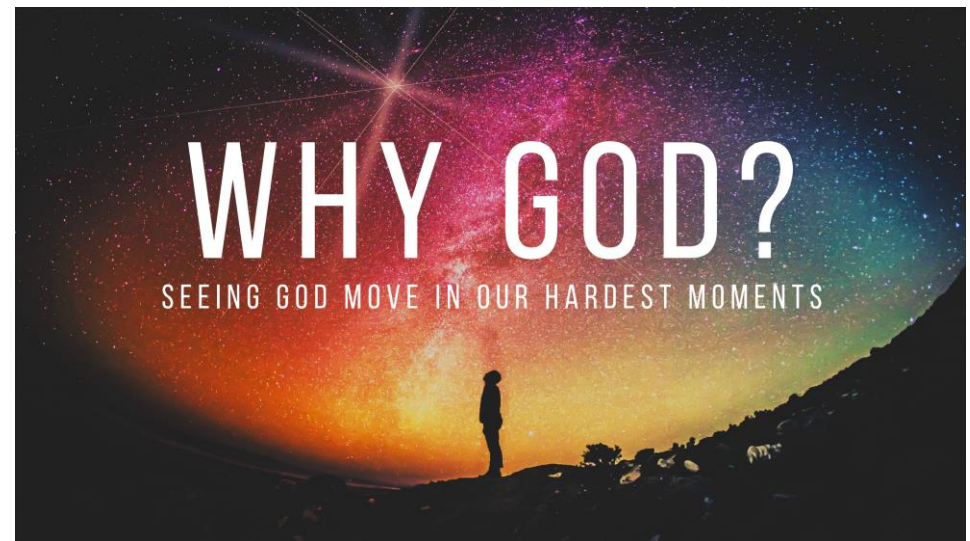

The ultimate case of a bad thing happening to a truly good person is when the only truly good person, _____, was crucified for our sins.
