### NOTES OF APPRECIATION

Dear FBC Family,

Our family is so very grateful for the many acts of love, caring, and kindness you have shown to our parents, Russ and Barb Riley, and our family over the years, especially in recent years during our parents' illnesses and deaths. We can never thank you enough for being the hands and feet of Christ as you called, sent cards, visited, prepared meals, and always, always supported us in prayer.

Many thanks to Pastor Jerry Neal for his compassionate and perfect words spoken at the family graveside service in June 2020. Pastor Jeff Bane, you spoke so respectfully and lovingly of our father (who thought so highly of you) at the memorial service in June 2021. We are blessed and grateful for both of you as pastors and leaders in our church.

Thank you to our church family for the gorgeous planter sent for the service. So many beautiful plants! We express our appreciation also to the office staff who helped us in so many ways, to Music Minister Bryan Corbett who helped with music and sound and, of course, to Patti Morgan and her kitchen crew who patiently waited through a long service and who did such a wonderful job of feeding our family and friends.

These past few years have been difficult, but your love and support have made them bearable. We can't imagine what people do without Jesus and a church family—they mean so much to us! May God bless each and every one of you who in some small or large way have touched our lives in recent years.

Because He lives,

**Bev Babbert, Kim Tyndall, Valerie Riley, Melanie Trombetti, and Families**

## MORE NOTES OF APPRECIATION

To First Baptist Church,

Saturday, I was having a very mournful day as were many because of the tragedy on 9/11. I was adding to my mourning the loss of my husband in 2001, my son, who is going through drug addictions, and friends I have lost during the COVID crisis. My heart was very heavy.

In the afternoon, I received a call from a wonderful gentleman. He was a Deacon from First Baptist. He was calling to ask if Ashley had any prayers for the prayer list. I listened and was not sure if he or I was confused and maybe he was talking about the town of Ashley, which is close to where I live. The conversation was near an end when I said to him, "I think you may have called the wrong number." He said, "Do you have a prayer for our prayer list?" I said, "Yes, please pray for my son Luke who is struggling with drug addiction." He said he would be more than glad to put Luke on the prayer list.

After the call, I felt very blessed and somewhat selfish because I was overly willing to give my prayer to him and First Baptist. However, I had not requested a prayer for all of you.

Thank you all for your prayers and the Deacon for the call from God. Please know that I am praying for all of you.

**Love and Prayers,  
Kari Schneider**

Thank you for the kind words, cards, calls, many beautiful flowers, gifts, and visits at the funeral home for the passing of my mother (Wilda Diamond). We are so blessed to have such a supportive and loving church family and awesome Life Group.

## MY VIEW FROM THE BACK OF THE PEW

*"Train a child in the way he should go, and when he is old, he will not turn from it."* Proverbs 22:6

I saw a headline about a home church of 320 Christian believers which grew to 2,500 in two weeks. I took a sip of coffee and thought to myself, "What sermon, children's program or beautiful new church building caused that kind of growth? Is that church in Ohio?" Then I scrolled down to the article.

The first week, the Taliban overran the home church's country. The second week, the Taliban took over their city. News of believers being martyred from the very first night of occupation was widely circulated.

*Dear God, please forgive me. Please have mercy on me when I'm too tired to go to church... because the Buckeyes played a night game...or, I have a slight headache... or I just deserve one day without having to "be somewhere."*

**Blessings,  
Cindy Matlock**
